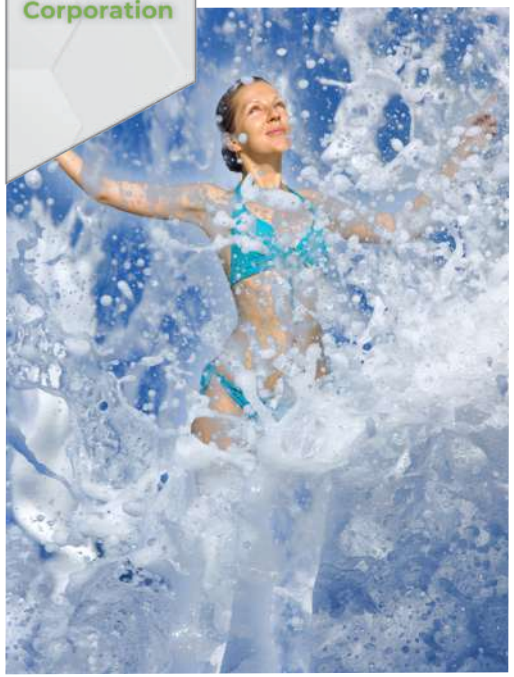
IN & OUT-OF-SUN COOLING AND REFRESHING SPRAY

Integrity Ingredients Corporation

What It Is

An extraordinary, refreshingly sensorial body spray designed for before, during and after sun exposure that moisturizes, soothes and softens skin while it helps to reduce the look of redness.



What It Does

- This innovative In-&-Out of Sun Cooling & Refreshing Spray contains a natural, sensorial cooling agent that helps to refresh and energize the skin while it detoxifies, oxygenates, and enhances microcirculation.
- Helps to strengthen the skin's natural barrier function while providing sunburn and redness relief.

Solution For

- Parched dry skin that is hot to the touch that needs hydration and refreshment.

How To Use

- Spray on the skin before, during and after sun exposure to cool and refresh the skin. Does not replace the use of sun protection.

Featured Actives

- **Rheostyl™ UP:** A thickening agent with powerful suspension properties that delivers elegant smooth textures for leave-on products
- **Nicomenthyl™:** A unique, multifunctional sensorial active that is that delivers 10 bioactive benefits to oxygenate, detoxify and repair the skin.
- **Jakabix™ NP 5.2:** A 100% natural, broad-spectrum preservative; odorless, light in color and can be used at pH 4-10. Will not degrade foam in surfactant systems, nor cause offensive formula odors.

IN & OUT-OF-SUN COOLING AND REFRESHING SPRAY

Integrity Ingredients - Advancing the *"Beauty with a Conscience"* Movement

Trade | INCI Names | Certifications | Use Levels	Ingredient Features & Benefits
Rheostyl™ UP *Acrylates Copolymer* Use level: 2 – 5%; as supplied 0.6 to 1.5% active.	• A powerful suspension agent with viscosity and clarity starting at pH 6.5. • Easy cold process, liquid form with low sheer that creates elegant, light & fresh fluid formulas. • Stabilizes O/W emulsions, mineral particles & pigments. • Applications: Skincare, sun care, color cosmetics.
Nicomenthyl™ *Menthyl Nicotinate* Use Levels: Face - 0.5 – 1%; Body - 0.5 – 3%.	• Unique dual action sensory skin-feel provides a warming then cooling sensorial effect. • Oxygenates, nourishes, detoxifies, repairs skin and strengthens the skin barrier. • Increases NAD+, a coenzyme found in all living cells; required for fundamental biological processes. • Modulates sensorial activity, delivers topical Vitamin B3, enhances microcirculation, activates hair fullness, provides strong antioxidant benefits and protects, detoxifies skin.
Jakabix™ NP 5.2 *Bixa orellana leaf extract,* *Jacaranda mimosifolia flower extract,* *Kalanchoe pinnata leaf extract,* *Deoxyribonuclease, Glucose oxidase* Use level 1 - 3%; 2% recommended.	• A robust, 100% natural, broad-spectrum preservative system – blend of BioZymes™, Botanical Actives and Anti-Microbial blend. Gram-negtive, Gram-positive; virus, yeast & mold resistant. • Will not degrade foaming action of surfactant systems nor cause formula odors. • Clear, transparent, nearly odorless liquid that functions at a pH range of 4 to 10. • Works perfectly in an emulsion water phase and is safe for eye and lip applications. • Applications: All personal care as a stand-alone preservative; no supplemental required.

Ingredient List – #041917.7

Water, Glycerin, PEG-40 Hydrogenated Castor Oil, Menthyl Nicotinate, Bixa Orellana Leaf Extract, Jacaranda Mimosifolia Flower Extract, Kalanchoe Pinnata Leaf Extract, Deoxyribonuclease, Glucose Oxidase, Acrylates Copolymer, Sodium Hydroxide, Parfum, CI 42090
