About Us...

Integrity Ingredients Corporation was founded on the belief that our customers deserve two things - high quality raw materials and true customer service.

We have an extensive line of unique raw materials, from our highly efficient thickeners to our exotic oils and butters.

Our in-house Technical and Applications lab is always available to address the growing needs of our customers. Whether you have a raw material technical question or need formulating assistance, we are here and ready to help.

Give us a call or visit our webpage at www.integrityingredientscorp.com for a few starting skin, body and hair care formulations you can try for yourself in the lab!
