# FIRST DEFENSE ANTI-INFLAMMATORY SEA HEATHER SLEEPING MASK

## What It Is

A light textured, crème-gel night mask designed to seal in treatment products while it deeply hydrates and soothes sensitive and irritated skin.

## What It Does

🌿 This elegant treatment mask was designed to be applied on top of your nighttime treatment products to seal in moisture and their formula actives. This product features Sea Heather a specific alga with powerful antioxidant and anti-inflammatory properties to combat free radical damage and improve the comfort of sensitive and reactive skin.

## Solution For

- 🌿 Skin that is dry and requires nutrient-rich, balanced hydration.
- 🌿 Skin that reveals enlarged pores and uneven texture.
- 🌿 Sensitive skin as it has been clinically proven to reduce skin stinging 30 minutes after application.
- 🌿 Dull, lackluster skin – helps to detoxify, brighten and restore a healthy-looking radiance with pure, Lingonberry Extract, that is rich in Vitamin C, antioxidants and polyphenols.
- 🌿 Oxidative degradation of lipids caused by free radicals that "steal" electrons from the lipids in cell membranes, resulting in cell damage.

## How To Use

- 🌿 After applying a nighttime skin care regimen, take a pearl-size amount and pat into the face, neck, and décolletage. May be used at night.

## Featured Actives

- 🌿 **Rheostyl™ E Light:** An energy efficient, polymeric emulsifier that delivers a lightweight, flowable, creamy texture that is sulfate-free.
- 🌿 **Rheostyl™ E Cream:** An energy efficient polymeric emulsifier that creates rich, sensorial textures.
- 🌿 **Lipex® SheaLight™:** A sustainable, eco-designed emollient that features a low impact environmental footprint. A versatile shea based ester innovated for leave-on or rinse-off products that features high spread ability and an excellent sensorial profile for a silky skin after-feel.
- 🌿 **Sea Heather®:** A powerful, free radical scavenging marine alga from the Mediterranean Sea.
- 🌿 **IntegriMOIST HA 1%:** Sodium hyaluronate efficiently hydrates and helps to plump the skin for a smoother, younger complexion.
- 🌿 **Jakabix™ NP 5.2:** A 100% natural, broad-spectrum preservative; odorless, light in color and can be used at pH 4-10. Will not degrade surfactant systems.

# FIRST DEFENSE ANTI-INFLAMMATORY SEA HEATHER SLEEPING MASK

Integrity Ingredients - Advancing the "Beauty with a Conscience" Movement

Trade | INCI Names | Certifications | Use Levels

Ingredient Features & Benefits

## Rheostyl™ E Light

*Acrylates copolymer (globally approved)*

Use Level: 0.5 – 10% depending on  
Use level: 4 – 10% as supplied. pH range 5-12. application.

- A powerful, stand-alone liquid emulsifier creates elegant textures from mists to fluid and bouncy.
- Energy efficient polymer; easy cold process; low shear – ideal for minimalist beauty & sunscreens.
- Water resistant; no need for film formers. Versatile; emulsifies oil up to 70% load; no HLB necessary.
- Excellent for sensitive skin types.
- Applications: Hair, skin, body, and sun care.

## Rheostyl™ E Cream

*Acrylates/Palmeth-25 Acrylate Copolymer*

Use Level: 4 – 10% as supplied. pH range 5-12.

- A polymeric emulsifier that features smooth spreadability in emulsions, thus a smaller particle size.
- Provides optimal thickening efficiency and electrolyte tolerance.
- Features unique sensorial properties; quick penetration with a rich skin-feel.
- Applications: Hair, skin, body care.

## Lipex® SheaLight™

*Shea Butter Ethyl Esters*

Ecocert, Cosmos Approved, China Compliant  
Use Level: 2 – 5%

- Increases moisture, protects the skin barrier and creates a smooth, powdery, sensorial skin feel.
- Provides low viscosity pigment dispersions at high loads. Cold process; time and energy efficient.
- Excellent solubilizer for organic UV mineral sunscreens; leaves no whitening or chalky skin residue.
- Applications: Sun protection, hair care, styling & scalp treatments; cleansers & skin care.

## Sea Heather®

*Water, Cystoseria Amentacea/Caespitosa Brachyarpa extract*

Ecocert, Cosmos Approved, China compliant  
Use Level: 2 – 10%

- Combats damage induced lipid peroxidation and fights major ROS free radicals.
- Protects DNA against superoxide anion and hydrogen peroxide; provides anti-inflammatory activity.
- Guarantees cell membrane functionality after chemical irritation.
- Clinically proven to lower skin reactions by reducing skin stinging 30 minutes after application.
- Applications: Skin care.

## IntegriMOIST Na Lac 60%

*Sodium Lactate*

Use Level: 1 – 10%

- A superior humectant with over twice the water holding capability than Glycerin.
- Attracts and retains water within the skin, to prevent it from becoming dry, flaky and dehydrated.
- Applications: Skin care and body care.

## Jakabix™ NP 5.2

*Bixa orellana leaf extract,  
Jacaranda mimosifolia flower extract,  
Kalanchoe pinnata leaf extract,  
Deoxyribonuclease, Glucose oxidase*

Use level 1 – 3%; 2% recommended.

- A robust, 100% natural, broad-spectrum preservative system – blend of BioZymes™, Botanical Actives and Anti-Microbial blend. Gram-negative, Gram-positive; virus, yeast & mold resistant.
- Will not degrade foaming action of surfactant systems nor cause formula odors.
- Clear, transparent, nearly odorless liquid that functions at a pH range of 4 to 10.
- Works perfectly in an emulsion water phase and is safe for eye and lip applications.
- Applications: All personal care as a stand-alone preservative; no supplemental required.

## Ingredient List – Formula #072719.6

Water, Acrylates Copolymer, Glycerin, Sodium Hyaluronate, Acrylates/Palmeth-25 Acrylate Copolymer, Shea Butter Ethyl Esters, Bixa Orellana Leaf Extract, Jacaranda Mimosifolia Flower Extract, Kalanchoe Pinnata Leaf Extract, Deoxyribonuclease, Glucose Oxidase, Cystoseria Amentacea/Caespitosa/Brachyarpa Extract, Sodium Hydroxide, Vaccinium Vitis-Idaea Fruit Extract, Parfum
