LUXE-SILK MINERAL FACIAL MOISTURIZER SPF 50

What It Is

A luxurious 100% Zinc Broad-Spectrum Sunscreen SPF 50 that provides superior protection against UVA and UVB radiation. It's elegant light texture spreads easily and evenly on the skin.

What It Does

- Provides beautiful Broad Spectrum SPF 50+ protection alone or under makeup to defend skin against UVA and UVB rays.
- Formulated to counteract the damaging effects of over exposure to the sun and blue light that can accelerate visible signs of aging.
- Conditions skin with nourishing and hydrating MagNUT Sense Oil and strengthening Black Current Seed Oil to reduce TEWL and to maintain skin's elasticity.
- Velvety smooth texture feels soft on skin, absorbs quickly, and offers weightless sun protection with a minimal to none whitening effect.

Solution For

- Mineral sunscreens that leave a whitening effect on the skin.
- Consumers looking for elegant, luxurious suncare that is SPF 50 and that can be used under makeup.
- Consumers seeking a facial sunscreen that deeply moisturizes and promotes skin elasticity.
- Those seeking advanced high SPF suncare combined with the beautifying benefits of youth promoting skincare that goes far beyond defending against UV rays blue light and moisture loss.

How To Use

- Take up an appropriate amount of cream onto fingertip and smooth evenly over skin. When applying to face and neck, use as the final step of morning skincare. Apply before base makeup.
- Remove with makeup remover and follow with your favorite cleanser.

Featured Actives

- Sun'Alg®:** A marine alga that strengthens the skin's defense mechanisms against UVA and UVB light radiation and the damaging effects of Blue Light.
- MagNUT Sense Oil:** An extremely pure oil that is light and fast absorbing that provides the skin with a dry, silky after-feel that is rich in Selenium, Vitamin E and Omega 3, 6 and 9 fatty acids.
- IntegriLIPID Black Currant Seed Oil:** Very rich in Omega 3 and Omega-6 essential fatty acid groups. Rare Gamma - linolenic acid, (GLA) found only in a few plant species helps to maintain skin elasticity. Helps to reduce Trans Epidermal Water Loss (TEWL) - excellent for dry, damaged sensitive and aging skin.
- Lipex® SheaClear™:** A 100% clear liquid shea oil designed for clear formulations that are created to moisturize and soften skin.
- Lipex® SheaLight™:** An eco-designed, sustainable emollient with a low impact environmental footprint. A versatile shea-based ester innovated for leave-on or rinse-off products that features high spread ability and an excellent sensorial profile for a silky skin after-feel
- Pinna Leaf NP:** A 100% natural, broad-spectrum preservative; odorless, light in color and used at pH 4-10. Will not degrade foam in surfactant systems, nor cause offensive odors. China Compliant.

LUXE-SILK MINERAL FACIAL MOISTURIZER SPF 50

Trade | INCI Names | Certifications | Use Levels

Ingredient Features & Benefits

Sun'Alg®

Pongamia glabra seed oil, Dunaliella salina Extract, Haematococcus pluvialis extract

Ecocert, Cosmos Approved, China Compliant
Use Level: 2 – 5%

- A sustainable complex that absorbs UVA/UVB light to prevent sunburn cell formation and protect against blue light.
- Rich in B-carotene and astaxanthin to provide strong antioxidant power.
- Fights against inflammatory reactions and strengthens skin barrier function and DNA repair.
- Proven in-vitro to boost SPF factor in sunscreen formulations.
- Clinically proven to diminish redness and provide sunburn soothing at 30 minutes after application.
- Applications: Skin and sun care.

Lipex® SheaClear™

Butyrospermum Parkii (Shea) Oil

Kosher, Halal, China Compliant
Use level: 1-80% depending on application

- Clear Shea Oil provides the softening benefits of Shea Butter – excellent for translucent products.
- Suitable for cold processed emulsions.
- Applications: Oils for body, face, baby, cleansing, hair and shampoos and conditioners.

Lipex® SheaLight™

Shea Butter Ethyl Esters

Ecocert | Cosmos Approved | Sustainability Profile
Use Level: 1 – 80% depending on application.

- Increases moisture, protects the skin barrier and creates a smooth, powdery, sensorial skin feel.
- Provides low viscosity pigment dispersions at high loads. Cold process; time and energy efficient.
- Excellent solubilizer for organic UV mineral sunscreens; leaves no whitening or chalky skin residue.
- Applications: Sun protection, hair care, styling & scalp treatments; cleansers & skin care.

IntegriLIPID Black Currant Oil

Ribes Nigrum (Black Currant) Seed Oil

Use Level: 0.5 – 5%

- Rich in Omega 6, Gamma-Linolenic Acid (GLA), which plays a key role in bodily functions.
- Powerfully reduces TEWL, helps to maintain skin elasticity and revitalizes dry, damaged aging skin.
- Applications: Skin, hair, baby, and sun products. Sensitive skin, eczema, & psoriasis.

MagNUT Sense Oil

Lecythis Minor Seed Oil

Use Level: 0.5 – 10% depending on application.

- A sustainable, 100% natural, virgin oil that is cold pressed to preserve oil purity and efficacy.
- A powerful source of natural Selenium provides antioxidant protection and helps to firm the skin.
- Rich in Vitamin E and unsaturated fatty acids, Omega 3, 6, & 9 > 70%.
- Helps to reduce fine lines, wrinkles and TEWL via its light protective film forming feature.
- Applications: Skincare, hair care, body care.

Pinna Leaf NP – China Compliant

Bixa Orellana Seed Extract, Kalanchoe Pinnata Leaf Extract, Protease, Lipase

Use level 1 – 3%; 2% recommended

- A robust, 100% natural, broad-spectrum preservative system – blend of BioZymes™, Botanical Actives and Anti-Microbial blend. Gram-negative, Gram-positive; virus, yeast and mold resistant.
- Will not degrade foaming action of surfactant systems nor cause formula odors.
- Clear, transparent, nearly odorless liquid that functions at a pH range of 4 to 10.
- Works perfectly in an emulsion water phase and is safe for eye and lip applications.
- Applications: All personal care as a stand-alone preservative; no supplemental required.
