ULTRA-LIGHT FACIAL OIL WITH MAGNUT SENSE OIL

What It Is

A lightweight, dry facial oil designed to be worn alone or under makeup that easily absorbs into the skin and evaporates quickly to an elegant, non-greasy dry feel.

What It Does

- Specially formulated with MagNUT Sense Oil, a natural, plant-based oil that is an excellent source of natural Selenium to neutralize free radicals, safeguard cell membranes and protect cells from damage caused by oxidative stress.
- Highly sensorial, the oil absorbs quickly and leaves a dry, elegant after-feel on the skin.
- Formulated with a potent blend of botanical and marine derived ingredients with proven anti-aging benefits to firm the skin, smooth wrinkles and increase elasticity.
- Helps to fight inflammation and free radicals while comforting fragile, vulnerable, and sensitive skin.

Solution For

- Ideal for skin that needs nourishment.
- Normal to dry skin.
- Oily skin dry patches.
- Fine and deep wrinkles.
- Dehydrated skin.
- Mature skin.

How To Use

- Massage 2 – 3 drops onto freshly cleansed skin both am and pm as desired. May be used alone, under moisturizer and or under makeup.

Featured Actives

- **MagNUT Sense Oil:** An extremely pure oil that is light and fast absorbing that provides the skin with a dry, silky after-feel that is rich in Selenium, Vitamin E and Omega 3, 6 and 9 fatty acids.
- **SeaBerry Seed Oil:** Nature's miracle berry sourced from the pristine Tibetan plateau that contains over 190 nutrients and an excellent source of Omega 3, 6, 9, amino acids, minerals, and vitamin E for anti-inflammation and skin nourishment.
- **IntegriLIPID Meadowfoam Seed Oil:** A sustainable plant oil similar to human sebum that helps the skin form a protective barrier.
- **Sun'Alg®:** A marine alga that strengthens the skin's defense mechanisms against UVA and UVB radiation and damaging effect of Blue Light.
- **Lipex® SheaLight™:** A sustainable, eco-designed emollient that features a low impact environmental footprint. A versatile shea based ester innovated for leave-on or rinse-off products that features high spread ability and an excellent sensorial profile for a silky skin after-feel.

Ingredient Features & Benefits

MagNUT Sense Oil

Lecythis Minor Seed Oil

Use Level: 0.5 – 10% depending on application.

- A sustainable, 100% natural, virgin oil that is cold pressed to preserve oil purity and efficacy.
- A powerful source of natural Selenium provides antioxidant protection and helps to firm the skin.
- Rich in Vitamin E and unsaturated fatty acids, Omega 3, 6, & 9 > 70%.
- Helps to reduce fine lines, wrinkles and TEWL via its light protective film forming feature.
- Applications: Skincare, hair care, body care.

IntegriLIPID Meadowfoam Seed Oil

Limnanthes Alba (Meadowfoam) Seed Oil

Use Level: 1 – 10%

- Our proprietary butter and oil hydrating and emollient complex provides an ultra-smooth skin feel.
- Moisturizes, protects, and conditions skin, as well as provides anti-inflammatory properties.
- Vitamin E provides antioxidant benefits and Vitamin K helps to heal devitalized skin.
- Applications: Skin Care, Hair Care, Color Cosmetics.

Sun'Alg®

Pongamia glabra seed oil, Dunaliella salina Extract, Haematococcus pluvialis extract

Ecocert, Cosmos Approved, China Compliant
Use Level: 2 – 5%

- A sustainable complex that absorbs UVA/UVB light to prevent sunburn cell formation.
- Rich in B-carotene and astaxanthin to provide strong antioxidant power.
- Fights against inflammatory reactions and strengthens skin barrier function and DNA repair.
- Proven in-vitro to boost SPF factor in sunscreen formulations.
- Clinically proven to diminish redness and provide sunburn soothing at 30 minutes after application.
- Applications: Skin and sun care.

Lipex® SheaLight™

Shea Butter Ethyl Esters

Ecocert | Cosmos Approved | Sustainability Profile
Use Level: 1 – 80% depending on application.

- Increases moisture, protects the skin barrier and creates a smooth, powdery, sensorial skin feel.
- Provides low viscosity pigment dispersions at high loads. Cold process; time and energy efficient.
- Excellent solubilizer for organic UV mineral sunscreens; leaves no whitening or chalky skin residue.
- Applications: Sun protection, hair care, styling & scalp treatments; cleansers & skin care.
