Smooth texture for mild pasty soap

Excellent **temperature**
& **shear stability**

Easy to formulate
Liquid polymer
Fast process

Mild pasty soap

Low fatty acid content
Low dosage of neutralizer

Smooth pasty texture
easy to spread

Creamy foaming

Pearlescence of
fatty acid crystals

INCI names globally approved

COATEX
ARKEMA GROUP

Smooth texture for mild pasty soap...

Ingredients (wt%)		Concentrated soap 30% fatty acid	Mild soap 18% fatty acid	Mild soap with Rheostyl™ Savon
