SKIN SMOOTHING EXFOLIATING POLISH

What It Is

An all-over face and body exfoliating experience formulated with Australian Olive Pit Powder, Olive Oil, and naturally derived skin smoothing ingredients. Provides unsurpassed skin moisturization and a smooth feel upon application to soften and smooth the skin.

What It Does

- ✔ This exfoliating paste melts into the skin for a gentle, yet effective exfoliation of both the face and body.
- ✔ A unique blend of Australian Olive Pit Powder and nourishing Olive Oil effectively eliminates dead skin cells.
- ✔ Skin is left perfectly smooth and soft.

Solution For

- ✔ Dry face and body skin.
- ✔ Dull and uneven texture.
- ✔ Red, blotchy and uneven skin tone.

How To Use

- ✔ Apply onto damp face or body using light massaging movements, from bottom to top to stimulate skin microcirculation.
- ✔ Focus on rough areas such as heels, knees, and elbows then rinse.
- ✔ The moist texture transforms into a gentle cream when it comes in contact with water.

Featured Actives

- ✔ **IntegriEXFOLIANT Australian Olive Pit Powder:** Olive stone powders are a natural, sustainable and effective alternative to micro-plastics without any dust or pulp residue. Due to their grain and hardness, they have a significant edge in exfoliating efficiency over other other natural, cosmetic exfoliants made of shells, seeds, cellulose, wax, silica or pumice.
- ✔ **IntegriLIPID Olive Oil Refined Pure:** High Oleic Acid content deeply penetrates to lock in moisture. Hygroscopic in nature it absorbs moisture from the air to help the skin to retain moisture and resist moisture loss. Delivers a silky-soft skin feel that is non-greasy.
- ✔ **Lipex® SheaSolve™:** A sustainable, eco-designed emollient that features a low impact environmental footprint. A versatile shea based ester innovated for leave-on or rinse-off products that features high spread ability and an excellent sensorial profile for a silky skin after-feel.
- ✔ **IntegriMULSIFIER SSL:** Improves the skin feel and functionality of creams and lotions developed for intensive skin care. Releases lactic acid upon skin contact, bolstering the skin's Natural Moisturizing Factor (NMF), without irritating or sensitizing the skin.
- ✔ **Jakabix™ NP 5.2:** A 100% natural, broad-spectrum preservative; odorless, light in color and can be used at pH 4-10. Will not degrade surfactant foaming action.

SKIN SMOOTHING EXFOLIATING POLISH

Integrity Ingredients – Advancing the “Beauty with a Conscience” Movement

Trade | INCI Names | Certifications | Use Levels

Ingredient Features & Benefits

IntegriEXFOLIANT Australian Olive Pit Powder

Olea Europaea (Olive) Seed Powder

Use Level: 3 – 15% depending on desired level of exfoliation.

- A natural, sustainable, and an effective alternative to microplastic exfoliators.
- Nearly odorless granules without dust or pulp residue.
- Due to its grain and hardness, it delivers more exfoliating efficiency over other natural, cosmetic exfoliants made of shells, seeds, cellulose, wax, silica, or pumice.
- Applications: Skin care and body care.

IntegriLIPID Olive Oil Refined Pure

Olea Europaea (Olive) Fruit Oil

Use Level: 1 – 30% depending on application.

- High Oleic Acid content deeply penetrates to replenish and retain moisture depleted with age.
- Hygroscopic in nature; absorbs moisture from the air.
- Delivers a silky-soft skin feel that is non-greasy.
- Applications: Skin, hair, and body care.

Lipex® SheaSolve™

Shea Butter Ethyl Esters

Ecocert, Cosmos Approved, China Compliant

Use Level: 2 – 5%

- Increases moisture, protects the skin barrier and creates a smooth, powdery, sensorial skin feel.
- Provides low viscosity pigment dispersions at high loads. Cold process; time and energy efficient.
- Excellent solubilizer for organic UV mineral sunscreens; leaves no whitening or chalky skin residue.
- Applications: Sun protection, hair care, styling & scalp treatments; cleansers & skin care.

IntegriMULSIFIER Natural SSL

Sodium Stearoyl Lactylate

Use Level: 1 – 2%

- Releases Lactic Acid on skin contact to improve the feel and functionality of intensive skin care.
- Clinically tested to improve skin firmness and smoothness upon repeated application.
- Boosts the skin's Natural Moisturizing Factor to help to retain skin moisture and lubricity.
- Delivers an excellent, sensorial skin feel.
- Applications: Skin and body care.

Jakabix™ NP 5.2

*Bixa orellana leaf extract,
Jacaranda mimosifolia flower extract,
Kalanchoe pinnata leaf extract,
Deoxyribonuclease, Glucose oxidase*

Use level 1 – 3%; 2% recommended.

- A robust, 100% natural, broad-spectrum preservative system – blend of BioZymes™, Botanical Actives and Anti-Microbial blend. Gram-negative, Gram-positive; virus, yeast & mold resistant.
- Will not degrade foaming action of surfactant systems nor cause formula odors.
- Clear, transparent, nearly odorless liquid that functions at a pH range of 4 to 10.
- Works perfectly in an emulsion water phase and is safe for eye and lip applications.
- Applications: All personal care as a stand-alone preservative; no supplemental required.

Ingredient List – Formula #040220.1

Water, Stearic Acid, Caprylic/Capric Triglyceride, Lauryl Laurate, Olea Europaea (Olive) Fruit Oil, Shea Butter Ethyl Esters, Glycerin, Olea Europaea (Olive) Seed Powder, Sodium Stearoyl Lactylate, Glyceryl Stearate SE, Cetyl Alcohol, Bixa Orellana Leaf Extract, Jacaranda Mimosifolia Flower Extract, Kalanchoe Pinnata Leaf Extract, Deoxyribonuclease, Glucose Oxidase, Sodium Hydroxide, Xanthan Gum
