What It Does

- ✔ Specifically formulated with concentrated oils and emollients that sit on skin's surface to moisturize the outer layer while it deep cleanses pores and removes makeup, dirt and debris. Doubles also as a deep cleansing mask.
- ✔ Boosts skin hydration and helps to alleviate dry, itchy skin.
- ✔ Improves the texture and appearance of the complexion.
- ✔ Helps to restore the skin's natural barrier function that has been compromised when the skin is ultra dry.

Solution For

- ✔ Cleansing all skin types.

How To Use

- ✔ Use morning or night and always for makeup removal. Massage onto dry or damp skin then gently wipe off with a wet washcloth. When used as a mask, apply to damp skin, leave on for 15 – 20 minutes and gently remove with a wet washcloth.
