DAILY PORE REFINING ESSENCE

What It Is

Daily Pore Refining Essence is a cutting-edge multitasking, lightweight, liquid essence specially designed and clinically tested to reduce enlarged pores from within. Specially formulated to be easily absorbed and gentle on the skin, it hydrates, nurtures, brightens, energizes and gently exfoliates.

What It Does

- 🌿 **Refines Pores:** Adenosilane combined with the power of Alpha Hydroxy Acids and Hyaluronic Acid target and reduce enlarged pores, hydrate the skin and deliver a flawless and radiant complexion with a smoother and more refined skin texture.
- 🌿 **Mattifies Sebum:** Gelyma's Sebocea® helps regulate excess sebum production, reduce shine and maintain fresh looking skin throughout the day.
- 🌿 **Boosts Collagen Production:** Exsymol's Adenosilane stimulates collagen synthesis and promotes skin elasticity and firmness to reduce pore size.
- 🌿 **Deeply Hydrates:** IntegriMOIST Oligo HA deeply penetrates the dermis to hydrate the skin while it nourishes, increases firmness, improves barrier function and plumps fine lines and wrinkles.
- 🌿 **Gently Exfoliates:** IntegriMOIST Fruit Acid Complex and IntegriMOIST Mixed Acid 4 Complex gently exfoliate dead skin cells to invigorate the skin and unclog pores to reveal brighter skin.

Solution For

Enlarged, Clogged Pores | All Skin Types | Dull, Uneven Texture | Dehydration

How To Use

- 🌿 After cleansing morning and night gently pat the essence onto your face and neck, focusing on enlarged pores.

Featured Active

- 🌿 **Adenosilane:** Stimulates collagen synthesis, and promotes skin elasticity and firmness to reduce the appearance of enlarged pores.

Contributing Actives

- 🌿 **Sebocea®:** Effectively regulates and balances sebum production and reduces shine.
- 🌿 **IntegriMOIST HA Oligo Powder:** Provides deep hydration and improves skin barrier function for a more supple, replenished and moisturized complexion.
- 🌿 **IntegriMOIST Fruit Acid Complex:** Gently exfoliates dead skin cells, revealing a smoother and more radiant skin tone.
- 🌿 **IntegriMOIST Mixed Acid 4 Complex:** Provides gentle exfoliation, unclogging pores, and improving the overall texture of the skin.

Preservative System

- 🌿 **Pinna Leaf NP™:** A 100% natural, broad-spectrum, stand alone preservative; nearly odorless, light in color and used at pH 4. Will not degrade foam in surfactant systems.

DAILY PORE REFINING ESSENCE

Integrity Ingredients - Advancing the “Beauty with a Conscience” Movement

Trade | INCI Names | Certifications | Use Levels

Ingredient Features & Benefits

Adenosilane®

Silanetriol (and) Adenosine

Use Level: 3 - 6%

- Clinically proven to tighten pores from within.
- Developed from an advanced biotechnology fermentation process.
- Optimizes fibrillogenesis, to enhance the pore’s surrounding fiber network and boost its energy level.
- Revitalizes the pore shaft and helps to prevent its dilation.
- Significantly improves skin firmness and fosters a smoother and more refined skin texture.

Sebocea®

Fucus Spiralis Extract, Tetraselmis Chui Extract

Use Level: 1 - 3%

- A marine active (alga) that decreases sebum production and leaves the skin looking clarified and naturally smooth.
- Inhibits 5- α reductase to block sebum production.
- Reduces irritation and inflammation by inhibiting IL-8 and TNF- α .
- Clinically proven to decrease sebum production.

IntegriMOIST HA Oligo Powder

Hydrolyzed Sodium Hyaluronate

Use Level: 0.1 - 0.5%

- Provides strong water retention.
- Deeply penetrates the dermal layer to nourish and store hydration in the skin’s connective tissues.
- Increases skin firmness and visibly reduces the appearance of wrinkles.

IntegriMOIST Fruit Acid Complex

Water (and) Saccharum Officinarum (Sugarcane) Extract (and) Citrus Limon (Lemon) Fruit Extract (and) Citrus Aurantium Dulcis (Orange) Fruit Extract (and) Pyrus Malus (Apple) Fruit Extract (and) Camellia Sinensis Leaf Extract

Use Level: 5 - 15%

- A proprietary concentrated blend of four alpha-hydroxy acids that are naturally occurring, plant derived sugars.
- Consists of sugar cane, lemon, orange, and apple fruit acids combined with Green Tea Extract to provide anti-inflammatory properties.
- Excellent ability to exfoliate dead surface skin cells, increase cell turnover and improve moisture retention.

IntegriMOIST Mixed Acid 4 Complex

Water (and) Lactic Acid (and) Citric Acid (and) Malic Acid (and) Camellia Sinensis Leaf Extract

Use Level: 5 - 15%

- A powerful, proprietary combination of Lactic, Citric, and Malic acids designed to gently exfoliate, and promote smoother, brighter skin.
- Camellia Sinensis Leaf (Green Tea) Extract delivers antioxidant power to protect against environmental damage.
- Synergistically, they enhance skin texture, tone, and overall appearance, revealing a rejuvenated and radiant complexion.

Ingredient List - Formula #063023A

Water (and) Glycerin (and) Lactic Acid (and) Saccharum Officinarum (Sugarcane) Extract (and) Aloe Barbadensis Leaf Juice (and) Bixa Orellana Seed Extract (and) Kalanchoe Pinnata Leaf Extract (and) Potassium Hydroxide (and) Hydrolyzed Sodium Hyaluronate (and) Fucus Spiralis Extract (and) Camellia Sinensis Leaf Extract (and) Tetraselmis Chui Extract (and) Citrus Limon (Lemon) Fruit Extract (and) Citrus Aurantium Dulcis (Orange) Fruit Extract (and) Pyrus Malus (Apple) Fruit Extract (and) Citric Acid (and) Malic Acid (and) Phytic Acid (and) Lipase (and) Protease (and) Adenosine (and) Silanetriol
