IntegriBUTTER Super Fruit Complex consists of Cupuaçu Butter that is combined with a cornucopia of bioactive plant seed oils: Apple, Cranberry, Blackberry, Pomegranate, Sweet Cherry, Kiwi along with Seabuckthorn fruit oil.

IntegriBUTTER Super Fruit Complex offers a plethora of skin and hair benefits. Cupuaçu Butter provides deep moisturization, nourishment, and protection, leaving the skin and hair feeling soft and supple. It enhances the natural elasticity and resilience of the skin to promote a youthful appearance. The bioactive plant seed and fruit oils provide a rich blend of antioxidants, vitamins, and essential fatty acids that work to combat free radicals, promote cell regeneration, improve skin and hair texture, and boost overall health and radiance. Non-greasy and easily absorbed, it is suitable for applications for skin, hair, body, lip, and dermo-cosmetics.

IntegriBUTTER Cupuaçu: Features superior lubricity for excellent moisturization and emollient benefits to all skin and hair care products. It moisturizes dry skin, helps to restore skin elasticity, protects against UV rays, reduces cellular degeneration, and inhibits the formation of fine lines and wrinkles. For hair, Cupuaçu Butter promotes moisture retention, strengthens hair strands, reduces frizz, adds shine, and delivers healthier, more manageable hair.

IntegriLIPID Apple Seed Oil Natural Cold Pressed: Our Apple Seed Oil is wild harvested, which allows it to maintain its natural apple scent. It helps to soften, protect, hydrate, and nourish skin and hair, as well as promote collagen synthesis. It is rich in essential fatty acids to help restore skin barrier function, calm inflammation and condition skin and hair. Rich in vitamins and minerals such as phosphorus, potassium, magnesium, calcium, iron, and a high level of natural sulfur.

Cupuaçu Butter

Cranberry Fruit

IntegriLIPID Cranberry Seed Oil Refined: Rich in tocopherols and a natural balance of essential fatty acids, Omegas 3, 6 and 9 not found in any other oils. An exceptional moisturizer, the oil is non-greasy and easily penetrates to aid in the absorption and utilization of essential fatty acids in the skin. It helps to nourish and moisturize the skin, reduce inflammation, promote collagen production, and protect against environmental damage. For hair, Cranberry Seed Oil adds shine, promotes scalp health, and strengthens and moisturizes the cuticle. It is considered one of the most precious plant oils as 20 metric tons of berries yields only 20 liters of oil.

IntegriLIPID Cherry Kernel Oil: A stable emollient oil with a light skin feel that is rich in oleic acid, vitamins A and E and natural tocopherols. Cherry Kernel Oil contains a polyunsaturated fatty acid called "eleostearic" which plays an important role in the production of prostaglandins, a vital group of hormones involved in cell metabolism.

IntegriBUTTER Super Fruit Complex – A powerful blend of Cupuaçu Butter and natural superfruit oils.

IntegriLIPID Blackberry Seed Oil Cold Pressed: Very high in Vitamin C, minerals, and antioxidant Vitamins A and E. Blackberry Seed Oil contains about 80% unsaturated fatty acids, 20% of which are omega-3s. A natural source of tocopherols, tocotrienols and lutein and is packed with the vital phytosterol, beta-sitosterol. These nutrients nourish and hydrate the skin, promote collagen production, improve elasticity, and protect against environmental damage. In hair care, Blackberry Seed Oil enhances shine, strengthens the cuticle, and soothes dry scalp.

Blackberry Fruit

IntegriLIPID Pomegranate Seed Oil Natural: Rich in the most concentrated and reliable source of Punicic acid – an omega-5 fatty acid that features strong anti-inflammatory properties to help soothe and calm irritated skin. Its high concentration of omega-6 fatty acids – oleic, linoleic, and palmitic are easily absorbed and deeply penetrate skin and hair to deliver intense hydration. The oil improves skin elasticity and antioxidants Vitamin A and Vitamin C work to firm the skin, tighten pores, fight free radicals, and fade visible fine lines and wrinkles. Also rich in polyphenols, the oil helps to reduce the signs of environmental aging. Punicic acid also moisturizes and nourishes the hair and promotes its strength and shine.

Kiwi Fruit

IntegriLIPID Kiwi Seed Oil: Rich in essential fatty acids Omegas 3 and 6, as well as Vitamin C and Vitamin E for antioxidant protection. Contains a high content of Alpha Linolenic Acid, which helps the skin and hair retain moisture and is ideal to mitigate skin irritation, and dry, damaged hair. It is also rich in phytonutrients, and minerals such as potassium and magnesium that enable it to provide superior moisture retention properties. These nutrients nourish and moisturize the skin, improve its elasticity, and promote a youthful appearance. For hair, Kiwi Seed Oil can enhance shine, strengthen the hair, and promote a healthier scalp.

IntegriLIPID Seabuckthorn Fruit Oil: Nature’s miracle berry contains 190 bioactive nutrients include 18 amino acids, 17 vitamins, 14 minerals and Omega 3, 6, 7 & 9. Its antioxidant ability is 70 x stronger than Vitamin C and has an ORAC value of 895,281. It contains a full Vitamin E complex, flavonoids, fatty acids, phospholipids, and sterols. Highly anti-microbial and anti-bacterial, it is used to treat burns, wounds, acne, and inflammation. Hydrates, protects the skin barrier, stimulates collagen production, and helps to balance the skin microbiome.
